“ You always knew you were my favorite Cousin and made sure to always remind me.
The lollipop sticks with you and Donny has forever been in my head.
My wedding day, when you caught the guarder, not realizing what you would have to do with it. When you understood, you threw it over your shoulder saying, "No way!" You tried to get out of it, but that didn't work to well though did it? LOL!
Or the day you and Donny slept at our house, and got drunk and you kept tripping over the recliner chair.
That one particular day were I jumped up and protected you because no matter who it was from, I refuse to let anyone hurt you. I even got clocked in the jaw from that one. See? I can literally say I took a hit for you HAHA!
The things we laughed about and spoke about through all these years. I'm so crushed that you are no longer with us. However, I know if anyone was there, with their arms open for you, it was Aunt Vie and Uncle Frankie.
My love for you will always be ever so strong. I'm so very thankful to have had you in my life. Until we meet again my sweet Lil cousin!!
