“ My dear cousin Sean,
Thank you for all the Monday night “date night’s” that we shared. I will never forget our Jeopardy tournaments (of which you would let me win every once in a while) and then our talks and laughs that carried out through the night. I won’t ever forget your Bah Humbug Santa hat nor your greeting of “howdy” every time you walked through the door, or my favorite, the way you said potato’s with your Scottish accent. Thank you for being not only my cousin, but my friend. Your laugh will resonate in my ears as long as I live and will always bring me a smile when I hear it. I will love and miss you all of my days!
Love always,
Kerrie
